Dear Player / Parent / Guardian / Supporter,

## Subscriptions 2018/19

Our key philosophy is for children to enjoy their football. We are open to children of all abilities and our Team Managers actively encourage the involvement of all children wherever possible.

Our teams operate in the Huddersfield Junior Football League, with our season culminating in a presentation evening where every child is rewarded for their efforts and every child receives a club trophy.

There is no signing-on fee required from you, just a commitment to pay a modest weekly or monthly subscription during the playing season and to abide by the club rules and policies. We believe we are still the cheapest Club in the area and subs go towards the purchase of equipment needed for matches and training, kits, league fees, insurance, pitch fees, trophies for presentation evening – these are just a few of the items that need to be paid each year.

In addition to this, we do not charge for kits. Our trophy bill alone came to more than £1,500 last season.

Subs this year need to be paid monthly whether you attend training every week or not. This is to secure revenue to the club and works out at £12.00 monthly to be paid on the first of every month.

This year we have also agreed to provide indoor training for all children for a period of 10 weeks in the winter (tbc) no extra cost to parents – this will also cost the club in the region of £850 - £1,200.

We need to collect subs from all parents promptly to fund these commitments, otherwise the Club could not continue.

Yours faithfully,

**Gemma Moore**  
Club Secretary
